GROUP MEMBERSHIP PLAN

A plan administrator must be identified to serve as a liaison between the group and IFMA staff, and to receive the annual group renewal invoice.

- ▶ All memberships within the group belong to the organization and not the individual.
- ▶ Membership changes may be made by the plan administrator throughout the membership year.
- ▶ All memberships within the group discount plan are billed through one invoice annually and must be paid with one check or credit card. Multiple forms of payment cannot be accepted.
- ▶ Additional new members can be added throughout the membership year and invoiced immediately.
- ▶ All members within the group discount plan must have base membership minimum and may add fee-based options to the base.
- ▶ All new members must join a chapter, council or community the first year of membership. Current IFMA memberships can be pro-rated to match the group's paid through date.
- ▶ Group members are not contacted individually regarding renewing.
- ▶ Dues and fees applicable for a full-year membership (12 months).
- ▶ Discount applies to Associate and/or Professional memberships only.
