Log In Error:
If you receive a notice that you must have a valid user email to reset your PW, this means that your email must be registered, and you must create the user. You will need to choose: “Register”. As long as you use the email address IFMA has on file, this will not create a new record.
Note: If you do not know which email is on file with IFMA, please call 713-623-4362 and a Member Services representative will assist you.

Do not use your social media account or a new email address for login. Doing so will create a new record that will not contain your credential information.

If you need login assistance, you may call +1-713-623-4362
