

Accessing translated content in your course

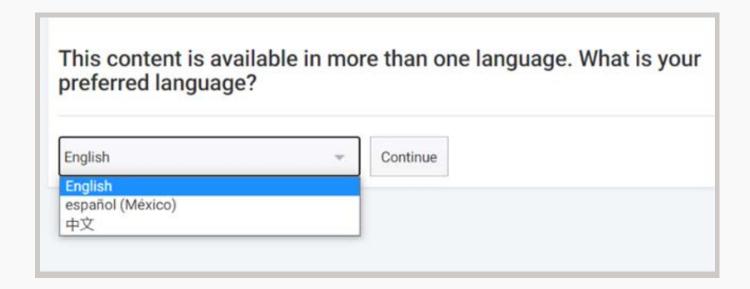

GET STARTED

- 1. Login into fm.training
- 2. Click on the yellow Training Dashboard button.
- 3. Locate your desired course.
- 4. Click on the red Launch or Resume button.
- 5. On the left menu, select the eLearning module you want to access and click on the title to launch the module.

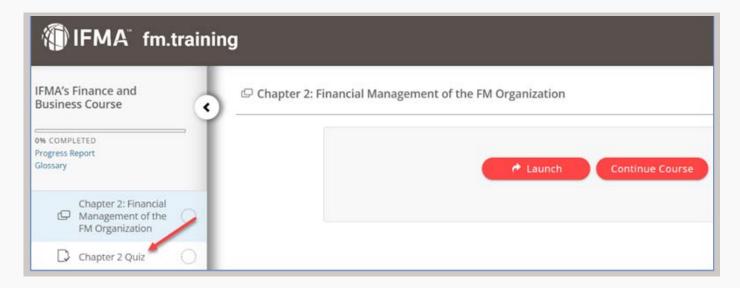

- 6. The module will open in a new window. (You must enable pop-ups)
- 7. Select your desired language from the drop-down menu. (Each module will now open in your desired language. You can change the language at any time by selecting a new option from the drop-down).

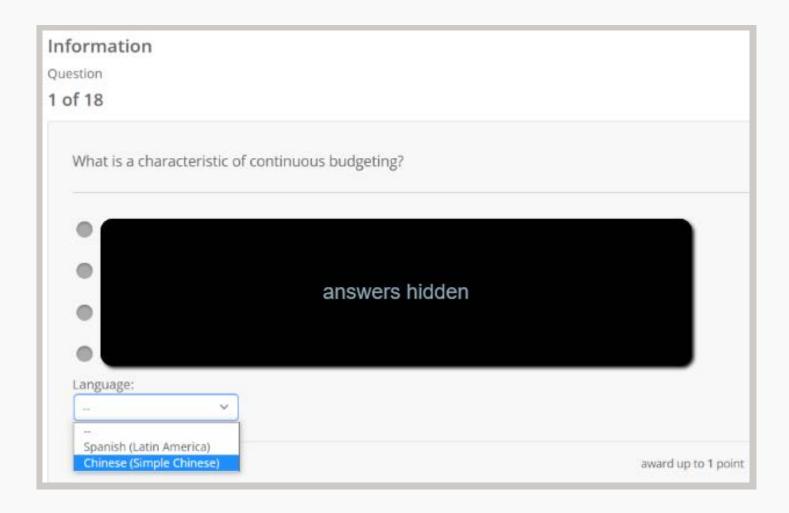

8. For all quizzes and final assessments, you will select the option from the left menu. Click on the test title to launch the quiz or assessment.

9. Click the red Start button to begin. All tests and assessments are in English.

To read the question-and-answer choices in your desired language click the drop-down at the bottom of the question and select your desired language.

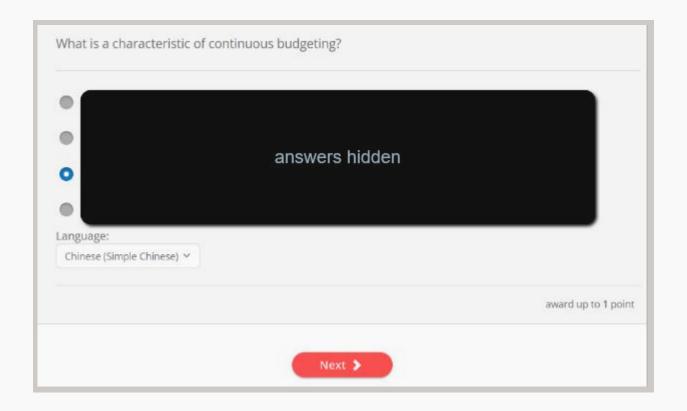

10. From the pop-up, read the question-and-answer choices and note your selection. (All answer choices are in the exact order as the English version.)

11. After reviewing the question, click the red OK button to close the pop-up window.

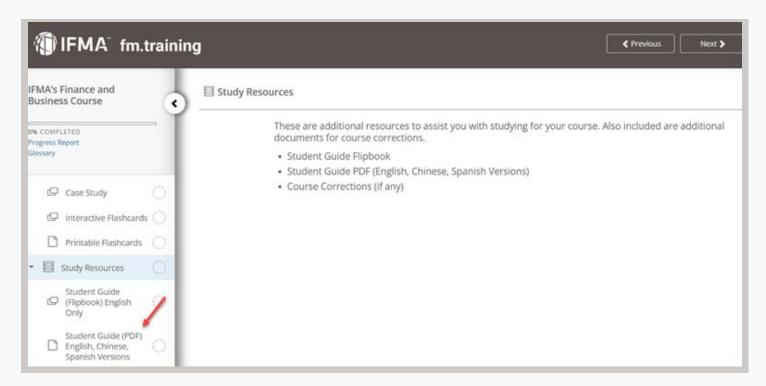

12. Click your corresponding answer choice and then click the red Next button to continue to the next question.

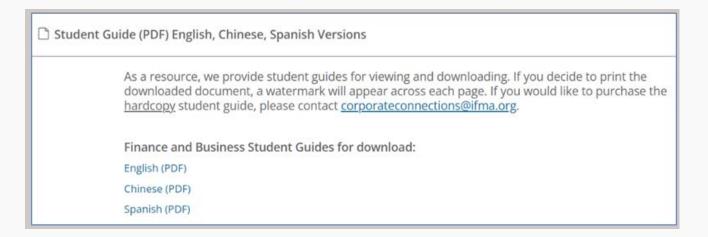

13. Additional resources can be found in the Study Resources section of your course. Locate the Student Guide PDF page on the left menu of your course.

14. Click on the title to open the page then click on the PDF of your desired language to download the PDF.

FINAL NOTES

If you are using the Firefox browser, the IFMA watermark will show on your file until you fully download it. You will need to click the download button next to the printer icon in the upper right corner of the screen. Save the file to your desired location. When you open from your saved location, the watermark will not be visible.
